Groundspeople

Maintenance Department

Te Pā Tū (formerly Tamaki Māori Village) is building a team of talent to share our new seasonal visitor experiences from our Tumunui village. Te Pā Tū visitor encounters are aligned with the Maramataka (Māori lunar calendar) and set within a native forest village - blazing bonfires and natural forest formed amphitheatre.

We are seeking a Groundsmen to join our whānau. It will be your job to ensure our natural stage is always at its best and our buildings maintained. It will include some landscaping, minor building projects and repairs and general maintenance and overseeing contractors to site.

You'll need to be physically fit, love the outdoors and be armed with plenty of kiwi can-do.

This is an exciting and diverse role within a lean and passionate start up team and caring whānau environment.

Skills and Experience

- Experience in a trade is advantageous but not required
- Demonstrated ability in health and safety management and site and assets compliance
- Excellent project management skills and experience prioritising workflows and operating to set budgets
- Ability to work under pressure and manage multiple priorities
- Excellent communication skills, a love for teamwork and the ability to lead others
- An appreciation for Māori culture and a desire to know and learn more
